

Group Finance Manager, Hospitality (Maternity Cover)

Business unit	Dominus Hospitality
Reports to	Head of Finance - Hospitality
Location	12 Dorset Street, Marylebone, London

About the Job

Dominus is a privately owned, trusted group of companies focused on the hotel and PBSA (student accommodation) sectors in Central London and across the United Kingdom. Founded in 2011, we have grown into a market-leading real estate platform with assets under management of more than £2 billion. We are an end-to-end business, with capabilities spanning acquisition, design, planning, development, and asset management.

Our differentiation stems from our ability to approach each project individually and identify the optimal strategy to maximise value.

We combine a highly knowledgeable team with trusted partnerships, and in doing so have built a reputation for quality throughout the industry.

Dominus Hospitality is the hotel division and management platform of Dominus, is a dynamic, growing portfolio of market leading hotels. All of which have achieved prestigious Green Key Accreditation, highlighting the company's progressive credentials in sustainability.

- The Dixon London – Marriott Autograph Collection
- Lost Property St Pauls, London – Curio Collection by Hilton
- Hampton by Hilton London City
- Hampton by Hilton Bath
- Courtyard by Marriott Oxford
- The Derby London City – Curio Collection by Hilton
- Multiple projects are currently under development

This role is a maternity cover position for an initial period of nine months.

At this stage, we do not require any approaches from Recruitment Consultants and ask that applicants who apply meet the requirements of the Job Description.

Key Responsibilities

- Own the month-end close, P&L, balance sheet, and cashflow reporting across the group
- Ownership of the day-to-day operational finance processes
- Support hotel finance team in the external audit process
- Drive finance system excellence in Sage, including automation and process improvements
- Review and improve accounting systems and internal controls as the group scales.
- Manage and develop a team of 5 Financial Controllers and central finance employees, ensuring accountability, performance, and morale
- Act as senior escalation point for hotel finance matters
- Lead group-wide financial planning to support the long-term strategic direction of the business.
- Promote a strong culture of accountability and transparency in budgeting and cost management.

Key Skills and Qualifications

- Experienced Finance Manager with background in hospitality, F&B, or multi-site operations preferred.
- Strong understanding of cashflow management, budgeting, and project accounting.
- Confident working directly with founders and senior leadership.
- High-level financial analysis and interpretation, ability to identify trends, risks, and control weaknesses
- Qualified accountant (ACA, ACCA, CIMA or equivalent)

Working Environment

- We work on open plan trading floor style office with around sixty, which brings interaction and excitement. Our self-designed head office is on Dorset Street in Marylebone, easy to reach and close to all the amenities. This role is office based and includes regular visits to the hotel sites.

Our Culture

- Working in collaboration nationwide, we make a daily difference at street level, with landmark developments, innovative partnerships and a progressive, long-term view of the future.
- For a decade, we've been driven by our ethos of creating and investing in strong, vibrant, sustainable communities. Today, we're more than an award-winning, forward-thinking business. We encompass charitable values, taking action in the community. And we're a trusted partner, forging links across the public and private sectors.
